President Scott brought the meeting to order at 7:30PM. Corey made a motion to approve last month's minutes, Brian seconded, roll call vote all in favor.

Old Business:

Kyle brought packets for selling ads for the 2023 convention. We have been receiving sponsorships already. Rochelle has been working on the event brochure. Discussion was held on listing officers/and or members on welcome page. The Bully Pulpit golf course has dropped their fee from \$90 to \$ \$60, so we would charge \$80. We have 132 people interested already. If over 100 entered, they will donate 10 rounds. Discussion was held on having a car donated if someone gets a hole in one. There is an insurance available for \$3-400 to cover the cost. Any hole sponsors would get signs at the hole. Pistol shoot is lined out.

Forest Service Grant-. Armbrust met with Alex Air and everything is ordered. We need to have the bill for the items ordered paid by April.

Badges-starting to get them printed.

Will still plan on getting 6 sets of turnout gear.

Will revisit making a motion to sign checks to pay bills without a quorum if necessary, and review the bills at the next meeting.
